

MCBQ 10-Hour General Industry Training

Purpose:

Safety training is required by the Occupational Safety and Health Act (OSHA), this training equips the supervisor with the information necessary to guide the workers in the workspace.

Items covered in this module are standards, supervisors' responsibilities, and other tools available to assist the supervisor in mishap prevention and force protection. Annual refresher training (Supervisor Safety Refresher) is also mandated by OSHA and is provided online at the [Quantico Testing Module](#) website.

General Information:

All supervisors of active duty military or civilian personnel, per MCO 5100.8 and 29 CFR 1960.55, are required to attend the training. The training is approximately 10 hours in length and will be completed over a 2-day period.
