

# Educational Resources for Teachers,

## Parents and Students

It's imperative that our young children understand the importance of protecting our environment. It is only through educating them that we will be able to continue our efforts to ensure a safe and clean future.

The following list provides links to fun and educational resources available to children of all ages or school year.

- ✓ Fish and Wildlife Service 'Let's Go Outside!' (FWS)  
<http://www.fws.gov/letsgooutside/kids.html>
- ✓ "Book of Stuff to do outside" (FWS)  
<http://www.fws.gov/letsgooutside/docs/kids/book-of-stuff%20to%20do%20Outside.pdf>
- ✓ "Discover the Forest" (USFS)  
<http://www.discovertheforest.org/>
- ✓ Bureau of Land Management Kids (BLM)  
[http://www.blm.gov/wo/st/en/res/Education\\_in\\_BLM/Learning\\_Landscapes/For\\_Kids.html](http://www.blm.gov/wo/st/en/res/Education_in_BLM/Learning_Landscapes/For_Kids.html)
