5. Administration and Logistics

- a. Assignment of Chaplains, RPs and CAs:
- (1) The Chief of Naval Personnel assigns Navy Chaplains to duty with the United States Marine Corps (USMC). Chaplains of various denominations are then reassigned to designated major Marine commands at Quantico to provide the broadest religious ministry possible to all military and civilian personnel and their family members. Denominational background, special training and particular skills are carefully considered in assigning chaplains. Because of the complex command structure of MCBQ, and the limited number of chaplains on board, each chaplain assigned may be required to provide ministry to several different organizations and participate in base-wide religious programs. Organizational commanders, therefore, share the services of chaplains assigned to their organization in order to provide the maximum religious ministry for all personnel and family members.
- (2) Chaplains are assigned to Marine Corps Base commands utilizing base special orders (BSO). As special staff officers, chaplains are organizationally placed under the Commander MCBQ, utilizing BSO. BSO assign them for ministry to individual units in consultation with the Command Chaplain and unit commanders. Depending upon availability, in additional duty capacity, chaplains may be assigned to the following subordinate and tenant commands:
 - (a) Headquarters and Service Battalion
 - (b) Security Battalion
 - (c) The Basic School
 - (d) Officer Candidates School
 - (e) Marine Corps University
 - (f) Marine Corps Embassy Security Group
 - (g) Naval Health Clinic, Quantico

- b. Location of Chaplains. The Command Chaplain's office is located in Lejeune Hall, Building 3250, Suite 112, and is manned during duty hours. After duty hours contact the Command Duty Officer at DSN 278-2707 or 703-784-2707 for Duty Chaplain services. Other chaplains are located at their assigned organizations throughout MCBQ.
- c. References (a) and (e), specifically direct each commanding officer to use local operation and maintenance, USMC funds to provide the necessary logistical support for executing religious ministry programs. Primarily MCBQ Chaplain Office will provide administrative local operation and maintenance funds for religious ministry teams' direct support of base religious ministries.

d. Performance Evaluation

- (1) Enlisted personnel are evaluated in accordance with references (b), (c) and (d). Performance evaluation reports of Navy enlisted personnel are to be prepared and submitted in accordance with reference (b) with Performance Information Memorandum (PIM) provided from the individual units to the Command Chaplain. The Command Chaplain shall provide recommended marks and has delegated signature authority on all RPs. RPs of equal rank shall be ranked together per reference (b).
- (2) Chaplains's evaluations are to be submitted in accordance with reference (b). The Commanding General MCCDC is the reporting senior for the Command Chaplain MCCDC. Because of his or her additional duty responsibilities as command chaplain MCBQ, the Commander MCBQ may submit a PIM to the Commanding General. Signature authority for chaplains performing regular duties in BSO status at subordinate or tenant commands rests with Commander MCBQ. It is the responsibility of the subordinate and tenant Commanding Officers to submit a PIM to Commander MCBQ. Chaplains of equal rank will be ranked against each other per reference (b).
- e. <u>Liberty and Leave</u>. To maintain complex duty watch schedules in support of the various requirements of the command religious program, liberty and leave for Chaplains, RPs, and CAs are recommended by individual units approved by the Command Chaplain.
