TERMS FOR USE OF THIS PERMIT

1. The fee for this permit shall be \$25.00, and the length of term of this permit shall be 6 months.
2. Only wood lying on the ground may be taken. Do not cut standing trees, whether dead, damaged or alive, unless specifically authorized to do so under "Special Terms Use" Section.
3. Firewood may not be taken from any of the areas indicated on the map by cross hatching or from the housing areas east of I-95. Firewood may not be taken from within 300 feet of any occupied building area on the Base. Exceptions to this rule shall be as specifically authorized under "Special Terms for Use" Section.
4. This permit is sold on the basis of one permit per vehicle. Other associates of the permittee may assist in cutting, loading, and driving of this one vehicle only. Where more than one hauling vehicle is involved in the operation, additional permits shall be required. This permit shall be displayed on the dashboard of the permittee's vehicle while cutting is proceeding. The permit shall remain on the site with the permittee or his associates. The hauling vehicle carrying wood from the site is not required to carry the permit if the permittee or his associate remain on the site cutting wood.

5. Permittee shall gain access to the Training Areas only paved or improved portions or roads or trails, as designed on map. Permittees are not allowed behind locked gates. During wet weather, when the soil is saturated, permittees must remain on the graveled or paved portions of the road or trail. Permittee's vehicle must not block the free flow of traffic on any road or trail.
6. Prior to entering any of the Training AREAS west of I-95 (TA's 5-17), clearance must be obtained by checking in at the Range Management Office, 784-5321, Bldg 24244, located along MCB3 at Camp Barrett. Information on gates and areas closed due to military training maybe obtained at this time.
7. The permittee shall take care to avoid any unexploded ordnance that might be encountered. If discovered, its location shall be marked and reported immediately to the Range Management Office. Permittee shall not touch or disturb any such known ordnance.
8. No cutting shall be allowed during Spring Gobbler Hunting Season. This applies to the months of April and May, before 12 Noon, Sundays excluded. Cutting may resume after 12 Noon during this period.
9. Blaze Orange will be required for the permittee and his associates during the deer gun hunting season. Every person in the woods during this period shall wear outer body clothing with at least 2 square feet of blaze orange visible above the waist and visible from 360 degrees.
10. The permittee is responsible for the safety of himself and his associates while on Quantico Marine Corps Base Property, and agrees to hold the Government and its employees blameless and without liability for any damages or injuries sustained because of the use of this permit.
11. Violators of the above rules are subject to arrest and/or suspension of all firewood permit privileges at Quantico Marine Corps Base for a period of time to be determined by the Head, NREA Branch, Facilities Division, or his designated representative. No refund of any part of the permit fee will be made if the permit is revoked or cancelled for any reason.
12. Specific questions regarding this permit maybe directed to the Base Forestry Section at 784-5324.
