MARINE CORPS BASE ORDER 11104.1B w/Ch 1

From: Commander
To: Distribution List
Subj: RESPONSIBILITY FOR AREAS OF POLICE

Ref: (a) MCBO 5090.3
(b) MCBO 5312.1A
(c) MCBO 11014.1A
(d) MCBO 11100.1

Encl: (1) Trash Can Disposal Responsibility List
(2) Areas of Police Maps

1. Purpose. To assign areas of responsibility for police of outdoor sites, roads, training areas, and other related locations within Marine Corps Base (MCB), Quantico.
2. Cancellation. MCBO 11104.1A.
3. Summary of Revision. This revision contains a significant number of changes and should be reviewed in its entirety.
4. Definitions. Police, as used in this order includes picking up of unsightly debris and trash, and disposing at the nearest collection facility.
5. Information
 - a. Reference (a) is the MCB order on the Resource Recovery and Recycling Program. This order provides guidelines, responsibilities, and procedures for solid waste prevention and recycling and to establish a qualifying recycling program at MCB Quantico. Nothing in this order is to be construed as conflicting with provisions of any negotiated agreement or contract.
 - b. Reference (b) is the MCB order on the employment of prisoners for work details.
 - c. Reference (c) is the MCB order for littering, which prohibits littering aboard MCB and directs personnel to report violations of littering to the Provost Marshal's Office.

7 Aug 06

d. Reference (d) is the MCB order on listing and assignment of real property. This order provides an updated listing of Class II real property (buildings, structures, and facilities) and to designate activities which are assigned operational responsibility for these facilities.

e. Separate MCB bulletins in the 11000 series are published to provide for semi-annual command-wide cleanups.

f. Reference (d) assigns responsibilities for policing the interior and exterior of buildings, to include sidewalks, parking lots, and adjacent streets.

g. Servicing of trash dumpsters on base is provided by commercial contract. Refer all comments or complaints concerning service to the Facility Support Contracts Section, Public Works Branch, G-5 at 703-784-1175/3625. Refer complaints concerning trash in the Housing areas to Lincoln Military Housing (LMH) at 703-630-0343.

h. Trash cans/bins/receptacles/containers and such items will be emptied, maintained and the sole responsibility of the organizations listed in enclosure (1). In addition, all trash cans/bins/receptacles/containers are all-encompassing responsibility of the closest command/unit.

i. Disposal of cardboard boxes will be coordinated with the Navy Regional Recycling Office (NRRO) at 202-433-0792. Several containers for disposal of cardboard boxes have been located aboard base. Contact NRRO for exact locations.

j. Mechanized collection of the wet garbage containers outside dining facilities is provided by commercial contract. Refer all inquiries regarding this service to the Facilities Support Contracts Section at 703-784-1125/3625.

k. Mechanized collection of trash containers at locations other than housing, dining facility areas, and as listed in enclosure (1) is the responsibility of the Head, Public Works Branch, G-5. Refer all questions regarding this service to the Facilities Support Contract Section at 703-784-1125/3625.

l. Mechanized collection does not include manual pickup of over-flow trash piled near the containers. Truck operators will not empty containers with lumber or metal objects which would damage the trucks, nor can they lift containers filled with dirt or grass seedlings. Disposal of all over-flow or oversized trash is the

7 Aug 06

responsibility of each activity head and disposal should be coordinated with the Base Property Control Office transfer site on MCB-2 (old Defense Reutilization Management Office location) for disposal into 30-cubic yard open-top containers. For appointments, call 703-784-5398.

6. Action

a. MCB Commands/Tenant Activities. All MCB commands/tenant activities will:

(1) Actively police the exterior of assigned buildings, MCB perimeter and interconnecting roads per this order.

(2) Direct liaison authorized with building tenants and activities is encouraged to meet MCB Quantico police requirements, and to maximize economies of force. The boundary between two entities is normally halfway between respective facilities, but may occasionally require a negotiated boundary. In those situations where a negotiated boundary is desirable, the parties can jointly prepare a detailed map. Forward a copy of this revision to the Commander, MCB (B 04) for approval and maintain copies of the approved version as a matter of record. Direct liaison with all concerned is encouraged. The "area of responsibility" boundaries sketched on the MCB maps in enclosure (2) are not all-inclusive but can act as a guideline and assist in such negotiations.

(3) Schedule police details to prevent any noticeable accumulation of debris and trash. High usage areas may need policing daily. Police along roads on either side to tree lines/natural obstacles.

(4) Empty all trash containers as often as necessary to prevent overflow. Obtain plastic liners for the trash cans at Direct Support Stock Control.

(5) If necessary, maintain qualified chasers for use of brig personnel on an as required basis. Reference (b) provides guidance for the use of brig personnel for unit work details.

b. Commanding General, Marine Corps Systems Command

(1) Coordinate the police of the areas outlined in enclosure (2).

(2) The Buffalo Engineer Test Area.

7 Aug 06

(3) River Road from Potomac Avenue to the Hospital Point gate.
