INSTRUCTIONS

ITEM 1 - PAYMENT

Member must be on electronic funds (EFT) to participate in split disbursement. Split disbursement is a payment method by which you may elect to pay your official travel card bill and forward the remaining settlement dollars to your predesignated account. For example, \$250.00 in the "Amount to Government Travel Charge Card" block means that \$250.00 of your travel settlement will be electronically sent to the charge card company. Any dollars remaining on this settlement will automatically be sent to your predesignated account. Should you elect to send more dollars than you are entitled, "all" of the settlement will be forwarded to the charge card company. Notification: you will receive your regular monthly billing statement from the Government Travel Charge Card contractor; it will state: paid by Government, \$250.00, 0 due. If you forwarded less dollars than you owe, the statement will read as: paid by Government, \$250.00, \$15.00 now due. Payment by check is made to travelers only when EFT payment is not directed.
