

Counter Intelligence (CI) Briefing

All personnel must attend, once every calendar year, briefings on all threats posed by foreign intelligence and terrorist organizations. These briefings will be presented by an NCIS Agent; online briefings are not suitable to meet this requirement.

Ensure all personnel bring their CAC to be scanned, or your attendance will not be recorded.

MCINCR/MCB Quantico Security Office is responsible for scheduling, notifying, and recording attendance for all CI Briefs.

POC: Daniel Chartier, Assistant Command Security Manager 703-784-5741
