to schedule your inspection

ABOUT

Inspections typically take between 30 minutes to 1 hour, depending on the size of your property

The inspectors will be looking for any life, health or safety issues in the home

PREPARE

Before inspection, the home **MUST**:

- ✦ Be empty with no personal belongings, furniture, work tools etc. on the premises
- ✦ If offering property furnished, only the items that will remain can be present
- ✦ Water & power must be on
- ✦ Home must be rental ready

ACTIVATE

Once your property has passed the inspection, the family housing branch will activate your listing and it will be visible on HOMES.mil
