

## How Can a Realtor Help?

In a competitive market, a real estate agent can help you get appointments.

When moving to a new city, an agent can help familiarize you with the area.

An agent can help you identify scam listings.

Rentals are going fast, and an agent can ensure you don't miss out on a listing.

# REAL ESTATE AGENT RESOURCES

## **Military Relocation Professionals**

Real estate agents who have a special certification recognized by the National Association of Realtors. Agents are certified to work with current and former military service members.

## **Military Agent.net**

Helps active duty service members find a top real estate agent at their next duty station. Free to use, and can help find an agent who is knowledgeable about VA loans, BAH and PCS moves.

## **Agent Hero**

Connects home buyers and sellers with carefully selected agents who are military veterans or spouses.

# REAL ESTATE AGENT RESOURCES

## **Military Real Estate Referral Connection**

Agents are active duty, reserves, retired or spouse. Agents are knowledgeable about VA loans, BAH rates and can provide local area expertise.

## **MilHouse Network**

Focuses on active duty personnel, and has more than 3,000 pre-screened agents with verified experience working for military homebuyers and sellers.

## **VAMRES**

Some real estate agencies use the acronym VAMRES (VA and military real estate specialist), to designate agents who have experience with both VA-backed home loans and active duty PCS.
