

## Hunting

Training Area 1 is open to qualified archery hunters during designated deer hunting seasons in the months of October thru January. Hunters are required to use elevated tree stands and check in/out daily at the Game Checking Station. Deer hunting season dates are published in the Base's Annual Hunting Bulletin.

## Organized Events

Request for scheduling and approval of organized events' such as mountain bike or foot races, shall be addressed to the AC/S G-3, Operations Division, at 703-784-2860.

## Wildlife Viewing

The Chopawamsic Creek Wildlife Viewing Area(WVA) is located along Northbank Trail and is part of the Virginia Birding and Wildlife Trail system. The WVA is open during daylight hours, seven days per week, to authorized visitors.

## Marine Corps Base Quantico, Virginia

Mainside trails provide the setting for a variety of outdoor activities. The trails are managed by a coalition of Base activities to ensure natural resources will be protected and available for the future.

# MCB Quantico - Mainside Trails

- Parking
- Wildlife Viewing Area

The woods traversed by these trails may contain **UNEXPLODED ORDNANCE** (duds), which are **dangerous** and **must NOT be REMOVED or DISTURBED**. If dud munitions are found, mark the area with rags or other means and immediately report the location to PMO at 703-784-2251

Stadium and Sewer trails are open 365 days a year unless otherwise indicated. All other trails are subject to closure to bike and horseback riders when the ground is soft or saturated. All users must comply with the MCBQ 5090.4A on Mainside Trail Use regarding trail procedures and etiquette. Trail closure updates are available from NREA Branch on the MCBQ website.

The Trails in Training Area 1 provide base residents and employees with the opportunities to hike, jog, ride horses, mountain bike, and enjoy nature. The proper and courteous use of the trails is required for environmental protection and public safety. Some of the trails are designated open for all users but some are restricted to foot traffic only. Please use the guidelines on the map to understand which trails have restrictive uses.

Dogs must be kept on a leash at all times

Archaeological and historical remains are not to be disturbed under any circumstances. Unidentified metal objects should never be handled due to the potential of being an Unexploded Ordnance (UXO). Do not touch a suspected UXO for any reason. Report suspected UXO to the PMO and move away from the object.

Leave no trace. Pick up any litter encountered. Be sensitive to the soil beneath you. Avoid wet soils if possible; practice low-impact cycling. This also means staying on existing trails and not creating any new ones. Do not disturb flora or fauna.

All trails are closed after dark  
All trails are moderately strenuous  
No motorized vehicles allowed on trails
