IN REPLY REFER TO:
8000-38
S4

From: Executive Officer in Charge, Marine Corps Embassy Security Group
To: Officer in Charge, Ammunition Supply Point
Via: Marine Corps Base Quantico, G4

Subj: JUSTIFICATION FOR PRIORITY 03 AMMUNITION REQUEST
(M5405040990001)

Ref: Quantico ASP Supported Unit Guide

1. Per the Quantico Ammunition Supply Point Unit Guide Book, all ammunition requisitions submitted Priority 03 require a Priority letter.

2. Marine Corps Embassy Security Group (MCESG) is requesting 5.56mm ball for the Marine Security Augmentation Unit (MSAU) conducting training on 09 Apr 2024. The ammunition is Priority 03 due to additional training requirements. This is being used to support a night shoot that MSAU is hosting at range 14C. Listed below is the DODIC of requested ammunition:

<u>DODIC</u>	<u>Quantity</u>
A059	13,440

3. Point of contact in this matter is Corporal Hamid VeraBechelani and can be reached by phone at 703-784-4867 or hamid.verabechelani@usmc.mil.
