Subj: JUSTIFICATION FOR UN-FORCASTED AMMUNITION

1. Total Ammunition Management Information System (TAMIS) request number M303004052F099 submitted with an un-forecasted Designator.
2. The Department of Defense Identification Code (DODIC) requested is reflected in the table below.

DODIC	NOMENCLATURE	QUANTITY
G878	FUZE, M228 F/G811	250
AC39	CTG 55.6MM MARKING, M1042 (BLUE)	8103

3. The requested ammunition is intended to be used by Fox Company for field exercise Motorized Operations on March 11, 2024.
4. Justification Statement: The listed DODICs were not forecasted due to late logistics requests.
5. TBS acknowledges that this request does not constitute privilege over other previously scheduled customers.
6. Point of contact for this matter is Staff Sergeant Branam, Raymond III at (703) 784-5579 or at raymond.branam@usmc.mil.
